DETAILED ACTION

Allowable Subject Matter

Claims 1 – 62 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art fails to teach a method for transmitting upstream data from a cable modem within a cable plant comprising selecting a first upstream channel for transmission of a first portion of the upstream data and selecting a second upstream channel for transmission of a second portion of the upstream data, transmitting the first portion of the upstream data on a first upstream channel from a first PHY block of the cable modem and transmitting the second portion of the upstream data on the second upstream channel from a second PHY block of the cable modem, the second upstream channel differing from the first upstream channel in their respective frequency ranges, wherein the first PHY block differs from the second PHY block..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
